Who we are

Basmeh & Zeitooneh was established in September 2012, conducting on-site visits to regions hosting significant populations of the most vulnerable and destitute Syrian refugees. After only a year of hard work and planning, in February 2014 Basmeh & Zeitooneh became an officially registered organization in Lebanon under decree #145/2014. In 2023, the Basmeh & Zeitooneh organization employed more than two hundred full-time staff and field members.
